

### *Everyone Deserves a Great Life!*

At Meridian Senior Living, our team has one core belief: that everyone deserves a great life. We spend every minute of every day ensuring each person who walks through our communities truly can enjoy their experience. We hold ourselves and our communities to an incredibly high standard and measure our success by the smiles on our residents' faces.

Meridian Senior Living is one of the most well-respected and experienced care and life service providers in the nation. We give residents the high quality of life and lifestyle they are accustomed to by providing modern, home-like settings, exceptional amenities and a trusted support network. From the memories shared and stories celebrated to the lives enhanced and friendships made, Meridian strives to provide everyone with countless moments of joy.

Independent Living,  
Assisted Living and Memory Care

## Here for You at Every Stage

At The Crossings at Bon Air, we provide for your every need at every stage of your life. From residential apartments that give you the freedom and comfort to live independently, to assisted living and memory care residences that offer more hands-on support, our communities make it easy for you to live an enriching life your way.

### INDEPENDENT LIVING

Independent residents enjoy a variety of apartments and convenient services that make life truly worry-free. In our communities there's always something fun to do – with interesting people who share your passions and staff dedicated to ensuring residents have all they want and everything they need.

### ASSISTED LIVING

Our assisted living community is customized to you and your specific needs, whether it's helping with life's daily activities, providing mobility, or coordinating care with your physicians. In addition, we keep our residents engaged in an active community life, offering you the socialization and independence you've always enjoyed.

### MEMORY CARE

Our Montessori Moments in Time™ program is the cornerstone of our memory care strategy and was developed through extensive research and first-hand experience with our residents throughout the years. The program is designed to capture our residents' special moments, as well as validate and allow purposeful living.
